

CAM380G  
Graphite Grey

## A Broadcast Quality HD Camera Feature-packed in a sleek but tough external housing

If you had any doubts over which model of HD camera to install then this is a winning choice! The CAM380 has all the low light surveillance benefits of NiteDevil technology and a Wide Dynamic Range with the added functionality of 40 IR LEDs.

This camera is a great choice for the installer who is looking for professional results in the shortest installation time possible thanks to its cable managed bracket, varifocal lens with digital zoom function and a separate standard video output for easy set up and "Up the Co-ax" control of the camera's OSD.

Additional features such as a choice of colours (white or grey) digital noise reduction, privacy masking and motion detection make this a truly versatile camera.

### CAUGHT ON

## CRIMEWATCH

Situating your camera so that you capture the exact footage you require for the purpose you need it for is essential in a good CCTV system design.

Here's a general guide to help you...

Purpose of CCTV camera is to:	Amount of screen occupied by figure.	Degree of recognition:
<b>Monitor and Control:</b>	A figure occupies at least 5% of the screen height and the scene portrayed is not unduly cluttered.	Observer should be able to monitor the number, direction and speed of movement of people across a wide area, providing their presence is known to him; i.e. they do not have to be searched for.
<b>Detect:</b>	At least 10%	After an alert an observer would be able to search the display screens and ascertain with a high degree of certainty whether or not a person is present.
<b>Observe:</b>	Between 25% & 30%	Some characteristic such as distinctive clothing, can be seen, whilst view remains wide enough to monitor surrounding activity.
<b>Recognise:</b>	At least 50%	Viewers can say with a high degree of certainty whether or not an individual shown is the same as someone they have seen before.
<b>Identify:</b>	At least 100%	Picture quality and detail should be sufficient to enable the identity of an individual to be established beyond reasonable doubt.
